

Enroll in SmartHub Text Message Notifications (Mobile App)

STEP 1

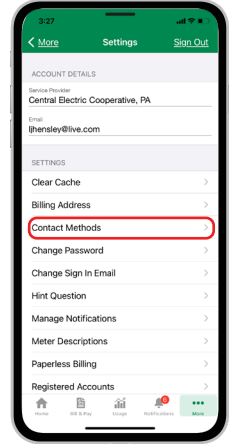

Login to the SmartHub app.

STEP 2

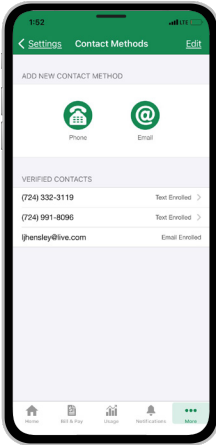

Select **More** on the bottom toolbar, then **Settings**.

STEP 3

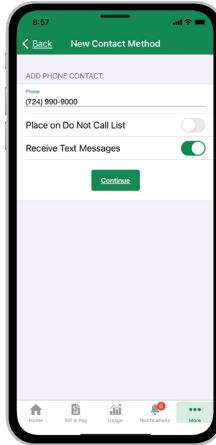

Then, select **Contact Methods** from the Settings options.

STEP 4

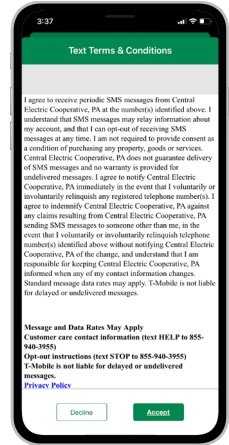

Click on the Phone (or Email) icon to add a new contact method.

STEP 5

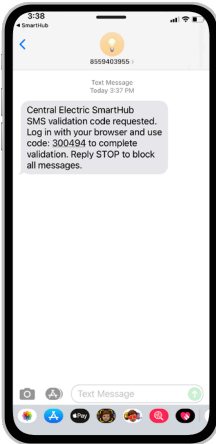

Enter a new mobile number. Select **Receive Text Messages**, then **Continue**.

STEP 6

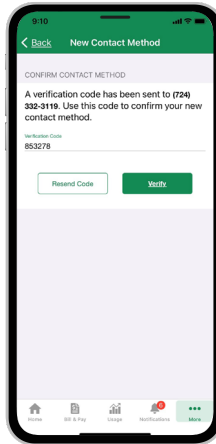

Read and accept the Terms & Conditions.

STEP 7

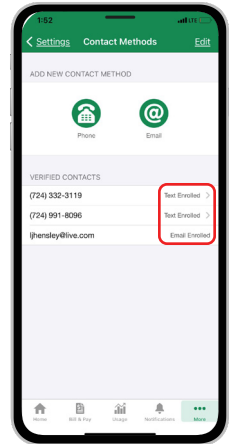

You must verify all mobile contacts. You will receive a text message with a verification code.

STEP 8

Enter the verification code in the SmartHub app and select **Verify**.

STEP 9

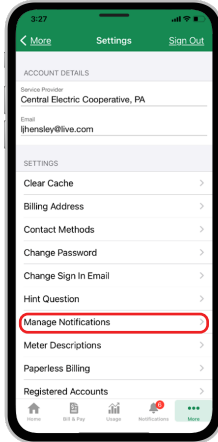

All verified mobile numbers and emails will be listed in the **Contact Methods** screen. You can use this screen to add and remove contacts.

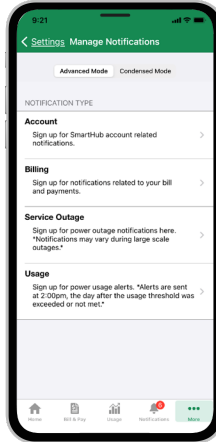

Enroll in SmartHub Text Message Notifications (Mobile App)

STEP 10

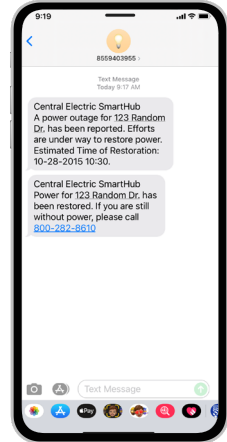

Next, go to **Settings**, then **Manage Notifications** to enroll in notifications.

STEP 11

Lastly, select each notification type to view the various notifications available for each and enroll your verified contacts.

STEP 12

Congratulations! You have enrolled in SmartHub notifications.

In addition to outage notifications, members with a single CEC account can text us when the power is out!

Once you have enrolled a mobile number, you can text **OUT** to 855-940-3955 to report an outage.

* Please note: All CEC text messages will come from our dedicated SmartHub number (855-940-3955). This number cannot be used to call our office.
